The final clean up shall be reviewed and approved by the City Engineer prior to final payment.

**27. DISPUTE RESOLUTION, JURISDICTION AND VENUE:** Any references to arbitration contained in the Agreement are hereby deleted, as is any requirement to waive a jury trial. If any breach, default, or other dispute arises out of this Agreement, the Parties agree that they will exercise good faith and commercially reasonable efforts to resolve said breach, default, or other dispute through negotiation and/or mediation. If the parties cannot resolve the matter without litigation, the Parties acknowledge and agree that either the Circuit Court of Kanawha County, West Virginia, or the Federal District Court for the Southern District of West Virginia shall have exclusive jurisdiction to resolve the breach, default, or other dispute giving rise to the litigation. Any change to existing contracts that adds work or changes contract cost, and was not included in the original contract, must be approved by the City.

**29. WAIVER:** The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

**30. SUBSEQUENT FORMS:** The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the City, such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the City to verify that the Vendor is licensed and in good standing with the above entities.

**36.1 SUBCONTRACTOR COMPLIANCE:** Vendor shall notify all subcontractors providing commodities or services related to this Contract that, as subcontractors, they too are required to be licensed, in good standing, and up to date on all state and local obligations as described in this section. **38. VENDOR NON-CONFLICT:** Vendor represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict or compromise in any manner or degree with the performance of the Services or the provision of Materials as herein provided. Any such interests shall be promptly presented in detail to the City.

**39. VENDOR RELATIONSHIP:** The relationship of the Vendor to the City shall be that of an independent contractor, and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor, as an independent contractor, is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor nor any employees or subcontractors of the Vendor shall be deemed to be employees of the City for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing. Vendor shall hold harmless the City and shall provide the City with a defense against any and all claims, including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

**40. INDEMNIFICATION:** In addition to, and not in lieu of the indemnity provisions set forth in this Section, Vendor agrees that it shall indemnify, defend and hold harmless City, its officers, employees and agents (hereinafter collectively, "City" for purposes of the indemnity, defense, hold harmless and insurance obligations contained in this Agreement) from and against any and all claims, demands, obligations, causes of action, lawsuits, fines, costs, judgments and damages of any character whatsoever, and all expenses associated therewith (including, but not limited to, reasonable attorney's fees and costs), arising from or related in any way to: (i) the operations of Vendor, its officers, agents, employees, subcontractors and its related or affiliated companies (hereinafter collectively, "Vendor" for purposes of the indemnity, defense and hold harmless obligations contained in this Agreement); (ii) Vendor's provision of the Services or Materials; (iii) any act or omission, negligence or misconduct of Vendor; (iv) a breach of this Agreement; (v) failure of Vendor to

complete any required work as specified in the Agreement; or (vi) failure of Vendor to perform any obligation contained in the Agreement or otherwise agreed to by Vendor, whether written or oral. Vendor specifically acknowledges that the indemnification, defense, and hold harmless obligations imposed by this Agreement require Vendor to indemnify and defend City regardless of whether or not any claimant or litigant also alleges that City was negligent. Further, Vendor agrees that its duty to defend and indemnify City does not require a judicial determination of the Vendor's negligence as a precondition of the duty to indemnify and defend City.

In addition to, and not in lieu of the indemnity provisions set forth in this Section, Vendor shall be solely responsible for all physical injuries or death to its officers, agents, employees and subcontractors and, consistent with the obligations imposed by this Agreement, shall indemnify, defend and hold harmless City for such injury or death. Vendor shall be solely responsible for the safety and protection of all of its employees, whether due to the acts and omissions, negligence, fault, or default of Vendor or not. Vendor hereby agrees to purchase and carry workers' compensation insurance for all of its employees and to ensure that all of its subcontractors purchase and carry workers' compensation insurance for all of their employees.

In addition to, and not in lieu of the indemnity provisions set forth in this Section, Vendor shall be solely responsible for any and all damage to any property of the City or of any third-party related in any way to Vendor's operations, provision of the Services or Materials, or any act or omission, negligence or misconduct of Vendor. Consistent with the obligations imposed by this Agreement, Vendor shall indemnify, defend and hold harmless City for any and all such damage, and, in the event of damage to any property of City, shall promptly reimburse City for all costs and expenses of any character upon Vendor's receipt of a demand for reimbursement by City.

The indemnity provided for in the Section herein shall be deemed in addition to and in no way a limitation upon the right of common law indemnification of City, its officers, employees, and agents from Vendor.

**41. NO DEBT CERTIFICATION:** The City is prohibited from awarding a contract to any bidder that owes a debt to the City. By submitting a bid, or entering into a contract with the City, Vendor is affirming that (1) for construction contracts, the Vendor is not in default on any monetary obligation owed to the City (2) for all other contracts, neither the Vendor nor any related party owe a debt as defined above, and neither the Vendor nor any related party are

**43. BOOKS, RECORDS, AND AUDIT BY CITY:** All vouchers or invoices presented for payment to be made hereunder, and the books, records, and accounts upon which said vouchers or invoices are based, are subject to audit by appropriate City officials. Vendor agrees to maintain and retain separate and accurate books, records, documents, and other evidence and accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

Vendor agrees to retain all books, records, and other documents relevant to this Agreement for ten years after the final payment or termination of this Agreement, whichever is later. City, State, and Federal auditors, and any other persons duly authorized by the City, shall have full access to and the right to examine any of said materials during said period.

Vendor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by City.

Vendor shall not be entitled to final payment under the Agreement until all requirements of this Agreement and Attachment A have been satisfactorily met.

**44. VENDOR'S REPRESENTATION, WARRANTIES, AND GUARANTEE; PROHIBITION AGAINST USED OR REFURBISHED:** Unless otherwise agreed to in writing by City or expressly permitted by City in Attachment A, Vendor hereby represents, warrants and agrees that the Materials used in connection with the Agreement are new, in good and marketable condition, have never been used, are sufficient for their intended purposes, are in compliance with the specifications in Attachment A, and that Vendor owns them and has the right to sell and convey them to City free of liens and encumbrances. Vendor hereby assigns to City all rights to any and all warranties and/or guarantees, whether express or implied, made to Vendor by the manufacturers or distributors of the Materials or any part thereof. Vendor agrees to assist the City in enforcing any and all warranties and/or guarantees related to the Materials.

## **Solicitation: 2025-22 Laundry Equipment**

Vendor further warrants that, if any of its completed Services fail to conform to this Agreement or Attachment A, Vendor shall, at its own expense, and provided Vendor is notified of such defect or non-conformity within one year of the completion of the Services, either perform corrective services at no cost to City as may be required to correct such defect or non-conformity or refund to City the amount paid to Vendor for Services that are defective or non-conforming.

**45. PROTECTION OF WORK AND MATERIALS; SUSPENSION OF WORK:** Vendor shall at all times be solely responsible for the protection of all work and Materials against damage or injury. In the event of temporary suspension of work for any reason, including, but not limited to, inclement weather, Vendor shall immediately take all action(s) necessary to ensure the protection of all work and Materials against damage or injury.

City may suspend work if the City Manager or his designee determines that suspension is in the City's best interest and/or the City elects to terminate this Agreement for any of the provisions contained in this Agreement. The City Manager and/or the designee will deliver to Vendor a Notice of Suspension specifying the extent and duration of the suspension and the effective date thereof. Upon receipt of such Notice of Suspension, Vendor shall immediately proceed to stop work, as specified in the notice, place no further subcontracts or orders for materials (except as necessary to complete any work that is not subject to suspension), and take all action(s) necessary, including any action(s) that the City Manager may direct, for the protection and preservation of the Materials and any property related to this Agreement.

If, in the opinion of the City Manager, any work or Materials have been damaged or injured by reason of failure on the part of the Vendor or his subcontractors to protect their work or Materials, such Materials shall be removed and replaced at the expense of the Vendor.

**46. GOVERNING LAW:** The Agreement shall be deemed to be executed in the City of Charleston, State of West Virginia, regardless of the domicile of Vendor, and shall be governed by the laws of the City of Charleston and State of West Virginia. This provision replaces any references to any other State's governing law.

The parties agree that any and all claims asserted by or against City arising under this Agreement, or related thereto, shall be heard and determined either in the United States District Court for the Southern District of West Virginia or in the Circuit Court of Kanawha County, West Virginia.

**47. CONDITIONS PRECEDENT:** This Agreement shall neither be binding on City nor effective until the execution of this Agreement by the City Manager or their authorized representative.

Vendor waives its right to file a mechanic's or other lien in connection with the provision of the Services or Materials.

**49. NO CLAIM AGAINST OFFICER, AGENT, OR EMPLOYEES:** No claim whatsoever shall be made by Vendor against any officer, employee, or agent of City for, or on account of, anything done or omitted in connection with this Contract.

**50. NOTICE BETWEEN VENDOR AND CITY:** Vendor and City hereby designate the business mailing addresses set forth in this Agreement as the places where all notice, directions, or communications from one such party to the other party shall be delivered, or to which they shall be mailed. Such address may be changed at any time by either party by written notice to the other party in the manner prescribed herein.

Vendor shall identify and provide a superintendent, foreman, or supervisor who shall have the authority to act for Vendor for the purposes of this Agreement.

**51. FORCE MAJEURE:** In the event of any condition or event, not existing as of the date of execution of the Agreement, not reasonably foreseeable as of such date, and not reasonably within the control of the parties which prevents in whole or in material part the performance of either party of its obligations hereunder, the obligations of each party to perform under the Agreement shall be suspended until the cause no longer prevents or makes impracticable either party's performance at which time all obligations shall resume. Either party shall have the right to terminate this Agreement upon written notice to the other should the condition or event continue for a period of two (2) days or more. Force Majeure events or conditions shall include, but not be limited to, riots, war, governmental action, strikes or lockouts (other than the parties), epidemics, floods, earthquakes, and explosions.

### **ADDITIONAL TERMS AND CONDITIONS (Construction Contracts Only)**

**1. CONTRACTOR'S LICENSE:** As of June 15, 2021, West Virginia Code § 21-11-2 and § 30-42-2 require that all persons desiring to perform contracting work in this state be licensed. Applications for a contractor's license may be made by contacting the West Virginia Contractor Licensing Board. The apparent successful Vendor must furnish a copy of its contractor's license prior to the issuance of a contract award document.

**2. BONDS:** The following bonds must be submitted:

[ ] **BID BOND:** Pursuant to the requirements contained in W. Va. Code § 5-22-1(c), All Vendors submitting a bid on a construction project shall furnish a valid bid bond in the amount of five percent (5%) of the total amount of the bid protecting the State of West Virginia. **THE BID BOND MUST BE SUBMITTED WITH THE BID OR VENDOR'S BID WILL BE DISQUALIFIED.**

[ ] **PERFORMANCE BOND:** The apparent successful Vendor shall provide a performance bond in the amount of 100% of the contract. The performance bond must be received by the City prior to Contract award.

[ ] **LABOR/MATERIAL PAYMENT BOND:** The apparent successful Vendor shall provide a labor/material payment bond in the amount of 100% of the Contract value. The labor/material payment bond must be delivered to the City prior to Contract award.

At a minimum, all construction projects require a bid bond, performance bond, and labor/material payment bond. Failure on the part of the City to checkmark the required bonds above does not relieve the Vendor from the legal requirement of providing these bonds. In lieu of the Bid Bond, the Vendor may provide certified checks or cashier's checks. Any certified check or cashier's check in lieu of the bid bond must be of the same amount required of the Bid Bond and delivered with the bid.

## **VENDOR PROTEST ACKNOWLEDGMENT**

In the event that any vendor desires to protest City's selection, such vendor (hereinafter "Protestor") shall submit its protest in writing, which must be received by City within seven (7) calendar days of after City Council approves of the award. Provided that the City Manager reserves the right to extend the time for submission of the protest if he determines it is reasonable under the circumstances.

The written protest must be submitted to: **Benjamin Mishoe, City Manager, City of Charleston, 501 Virginia Street, Charleston, WV 25301.**

Only vendors who have submitted a timely and responsive proposal may protest City's selection. No protest may be filed if the RFP is withdrawn or if all proposals received in response to the RFP are rejected.

Protests shall include the following information:

1. The Protestor's name, address, telephone number, and fax number;
2. The solicitation number;
3. A detailed statement of the legal and/ or factual grounds for the protest;
4. Copies of all relevant and supporting documentation, if necessary; and
5. A statement as to the form of resolution or relief sought.

### **FAILURE TO SUBMIT THIS INFORMATION SHALL BE GROUNDS FOR REJECTION OF THE PROTEST.**

The City Manager may refuse to review any protests when the matter involved is the subject of litigation before a court of competent jurisdiction; if the merits have previously been decided by a court of competent jurisdiction; or if it has been decided by the City Manager in a previous protest.

At the time of submitting the written protest, Protestor shall submit a certified check in the amount of one thousand dollars (\$1,000.00) or bond equal to five percent (5%) of the price of the selected proposal, whichever is greater. In the event the proposal being protested is for contracted services, an estimated average of the contract value will be determined in order to calculate the five percent (5%) bond value. This bonding requirement is designed to protect against frivolous claims and unnecessary expenditures of public funds and to allow City to offset any and all costs, fees, expenses or damages of any kind whatsoever incurred by City as the result of an unsuccessful protest.

In the event the protest is unsuccessful, the certified check or bond will be used by City to recoup any and all costs, fees, expenses, or damages of any kind whatsoever incurred by City and related in any way to the unsuccessful protest. Costs, fees, expenses, and damages shall include, but shall not be limited to, increased costs of labor, materials or services resulting from any delay,

professional fees, including, but not limited to, attorney fees, and all costs, fees or expenses of any kind whatsoever related in any way to the unsuccessful protest. By signing this document, Protestor waives the right to receive any money retained by City as set forth herein. If there are any funds remaining after City has recouped amounts as permitted herein, the remaining funds will be returned to Protestor. In the event Protestor is successful, the full amount of the certified check or bond will be returned to Protestor.

Upon receipt of a timely written protest, City shall provide notice of the protest to vendor selected as the successful bidder (hereinafter "Selected Vendor") and provide Selected Vendor with a copy of the written protest and any documents related thereto. **Selected Vendor will have two (2) business days to file a written response to the protest.** A hearing may be held within five (5) business days of the **date of receipt of the written response to the protest by Selected Vendor**; provided that, City may, in its sole discretion, set the date of the hearing beyond the five (5) day time period specified herein if deemed necessary or convenient to do so by City. If a hearing is held, both Protestor and Selected Vendor will have an opportunity to appear and present evidence and testimony in support of their positions. The hearing will be held before the City Manager or his designee. The department head of the department seeking the RFP and the City Attorney shall be in attendance.

A decision will be made by City within five (5) business days of the hearing. Upon a decision having been made, both Protestor and Selected Vendor will be notified in writing of City's decision.

In the event City's selection is reversed, City will reevaluate all proposals which were originally and timely submitted, in accordance with state and city laws and regulations. During the reevaluation, issues addressed during the protest proceedings may be considered.

Once a written protest is filed, no work will be performed by Selected Vendor until such time as City has rendered a final decision on the protest; provided that, if City, in its sole discretion, determines time is of the essence regarding receipt of the goods or completion of the services to be performed, City may permit Selected Vendor to proceed pursuant to its proposal and any Agreement with City, until/unless the protest is successful.

**By submitting a proposal, each vendor agrees that the procedure outlined herein is the exclusive remedy available to challenge/protest the award of a contract to a successful bidder. The decision of the city manager is final and is not appealable. Each vendor further agrees that, in the event any qualified vendor fails to submit a written protest and certified check or bond within the time period specified, that vendor thereby forever waives its right to any further claim, action, or remedy, including, but not limited to, the right to bring an action before any administrative agency or any court of competent jurisdiction.**
