To find providers in your network visit our website at:

healthplan.org

Step 1
Click on *"Find a Provider"*

Step 2
Find your plan and click *"Search Online"*

(If you don't know your plan, you can enter your member ID to search)

Step 3
Use the search tool to find providers and create your own personal directory to download, print and browse through. You can search by name, location, certifications, and more!
