

Shopper's Guide

Plan Year 2021

July 1, 2020 - June 30, 2021

Open Enrollment is April 2 - May 15, 2020

The Fine Print

This Shopper's Guide is not intended to be a formal statement of benefits. It is designed to provide general information about the available plans. It is intended to be a first step in helping you choose the most appropriate health benefit plan for you and your family. Actual benefits may be more specific and, on occasion, may change during the plan year.

Questions about benefits, limitations, costs, providers, or restrictions, should be directed to the individual plans for answers. If you enroll in a managed care plan, the plan you select will send you an "evidence of coverage" booklet with more complete details of your benefits.

PEIA cannot guarantee the quality of services offered by the various plans, so please gather information and make your decision carefully. Before enrolling, assure yourself that the plan you choose offers a level of care and convenience with which you and your family will feel comfortable.

Also, be aware that the continuing participation of managed care network providers is not guaranteed throughout the Plan Year. If a provider chooses to withdraw from a managed care network, the member may be required to receive services from another participating provider.

We have tried to ensure that the information in this booklet is accurate. If, however, a conflict arises between this guide and any formal plan documents, laws or rules governing the plans, the latter will necessarily control.

Tips for a Successful Open Enrollment

1. Read through “What’s Important for 2021” to get a quick overview of the changes for the coming Plan Year.
2. Review the side-by-side comparison of the plans in the “**Benefits At-A-Glance**” charts.
3. Check page 10 to be sure you’re eligible to enroll in the plan you want. The PEIA PPB Plans A, B and C are available in all areas. PEIA PPB Plan D is open to WV residents only and covers only services provided in WV. The Health Plan is available in all West Virginia counties. If you live out of state, remember you must live in one of the counties listed on page 10 to enroll in The Health Plan.
4. Check the premium table for your employer type (State agency, county board of education, non-State agency, retiree, etc.) and for the type of coverage you have (employee only, family, etc.) to find the premium for the plan you want.
5. If you want to change plans, you have two choices: Go to peia.wv.gov or www.wvpeia.com and click on the “**Manage My Benefits**” button and follow the instructions (remember, your deadline is midnight on May 15, 2020) or call PEIA for a Transfer Form at **1-877-676-5573**. Make any changes or plan selections you wish and return it to your benefit coordinator no later than the close of business on May 15, 2020. If you need to update your tobacco status, you may do so by using the options above or by calling **1-877-676-5573** and by following the prompts.

What’s Important for 2021?

PEIA PPB Plans

All PEIA PPB Plans Active employees and non-Medicare Retirees:

- No PPB Plan premium increase
- Two chiropractic visits covered in full for back pain only (Plans A, B & D)
- No out-of-network coverage out-of-state for PPB Plan C (Aligns with PPB Plans A and B)
- Life insurance subsidies are ending; active policyholders and some retirees may see optional life insurance rate increases (see pages 48 - 51 for more information)

Optional Life Insurance Rates

Beginning July 1, 2020, your PEIA active employee optional term life rates are increasing – no action is required.

Why are rates increasing? Prior to 2016, PEIA’s optional life insurance rates were higher than they needed to be, thanks to better-than-expected claims experience. Securian Financial returned the surplus premiums to PEIA, and because they were policyholder dollars, not tax dollars, PEIA used that money to reduce optional life insurance rates over the last four years. That surplus has been used up, so now premiums will be adjusted to their actual, unsubsidized level.

Annual Physical

PEIA covers an annual physical for members at no cost (state and network rules apply). There is a form at the back of this Shopper's Guide that you may take to your annual physical office visit; it explains what is covered in full as a part of the visit, and how the physician's office needs to bill to have the visit reimbursed correctly.

The Health Plan HMOs and POS

- The Health Plan is an available option in all 55 WV counties for active employees and retirees without Medicare.
- The Health Plan is headquartered in Wheeling, WV, and has offices in Morgantown and Charleston.
- The Health Plan will continue to offer three plan designs: HMO Plan A, HMO Plan B and a Point of Service Plan C (POS).
- Copays will not change on all three plans.
- Please see The Health Plan's ad in this Shoppers Guide regarding The Health Plan's Preferred Lab Network. Members who choose a lab in the Preferred Lab Network may receive covered lab services at little or no out-of-pocket costs. The Health Plan will waive any applicable deductible and/or coinsurance associated with the lab benefit.
- Please review this Shoppers Guide for a listing of benefits. For questions or for a complete listing of The Health Plan Provider Directory for PEIA enrollees, please call The Health Plan at **(888) 847-7902**, email information@healthplan.org, visit www.healthplan.org, or attend a benefit fair near you.

Has your address changed? Let PEIA know!

If your address has changed, you can update your records with PEIA by sending the address change in writing to 601 57th St., SE, Suite 2, Charleston, W.Va. 25304-2345, or by going on the agency's website, peia.wv.gov or www.wvpeia.com, and logging into **Manage My Benefits**. PEIA DOES NOT accept address changes over the phone.

Terms You Need to Know

Affordable Care Act (ACA) Out-of-Pocket Maximum: The Affordable Care Act places a limit on how much you must spend for healthcare in any plan year before your plan starts to pay 100% for covered essential health benefits. This limit includes deductibles (medical and prescription), coinsurance, copayments, or similar charges and any other expenditure required of an individual which is a qualified medical expense for the essential health benefits. This limit does not include premiums, balance billing amounts borne by the member for non-network providers and other out-of-network cost-sharing, or spending for non-essential health benefits. The maximum out-of-pocket cost for Plan Year 2021 can be no more than the rates set by the federal government for individual and family plans. Because PEIA's plans have out-of-pocket maximums that are substantially lower than the ACA required limits, the ACA out-of-pocket maximum should never come into play for most PEIA PPB Plan members.

Annual Out-Of-Pocket Maximums: Each plan has limits on what you are required to pay in out-of-pocket expenses for medical services and prescription drugs each year. You'll find details in the "**Benefits At-A-Glance**" charts.

COBRA: Gives employees the right to continue health insurance coverage after employment terminates. See your Summary Plan Description for full details.

Coinsurance: The percentage of the allowed amount that you pay when you use certain benefits.

Comprehensive Care Partnership (CCP) Program: The CCP was created to keep members well by promoting the use of primary care health services, identifying health problems early, and maintaining control of any chronic conditions. Any member enrolled in a CCP will choose to receive his or her primary care from one of the participating CCP providers, which is responsible for providing prevention services, routine sick care, and coordination of care with specialists when needed. Those members who enroll in the CCP program will have reduced or no copayments for specified covered services at their enrolled CCP provider. Office visits to a provider other than your CCP have a \$20 copay, except for specialist visits, which have a \$40 copay, and urgent care, which has a \$50 copay. Only PEIA PPB Plan A, B or D members are eligible to participate in the CCP Program. PEIA PPB Plan C members and Medicare primary members are not eligible to enroll in the CCP Plan.

Coordination of Benefits (COB): Health plans use COB to determine which plan will pay benefits first, and to make sure that together they do not pay more than 100% of your bill. Be sure to ask the managed care plans about COB before you make your choice.

Copayments: A set dollar amount that you pay when you use certain services.

CVS Caremark: PEIA's prescription drug benefit manager (PBM). CVS Caremark processes and pays prescription drug claims and helps manage the prescription drug benefit.

Deductible: The dollar amount you pay before a plan begins paying benefits. Not all services are subject to the deductible, so check the "**Benefits At-A-Glance**" charts.

Explanation of Benefits (EOB): Forms issued by health plans when medical claims are paid. Most plans do not issue EOB's for services where the only patient responsibility is the copay. If you need an EOB, please call the number on the back of your insurance card to request one or log into your account and print an EOB.

Health Maintenance Organization (HMO): HMOs manage health care by coordinating the use of health care services through PCPs. If you join an HMO, you'll pick your PCP from their list, and then you'll receive all of your non-emergency care from network providers. Ask the HMOs about their rules.

Health Savings Account (HSA): A health savings account (HSA) is a tax-exempt trust or custodial account that you set up with a qualified HSA trustee to pay or reimburse certain medical expenses you incur. No permission or authorization from the IRS is necessary to establish an HSA. When you set up an HSA, you will need to work with a trustee. A qualified HSA trustee can be a bank, an insurance company, or anyone already approved by the IRS to be a trustee of individual retirement arrangements (IRAs) or Archer MSAs. The HSA works in conjunction with a High Deductible Health Plan.

High Deductible Health Plan (HDHP): An IRS-qualified High Deductible Health Plan (HDHP) is a plan that includes a higher annual deductible than typical health plans, and out-of-pocket maximum that includes amounts paid toward the annual deductible and any coinsurance that you must pay for covered expenses. The HDHP deductible includes both medical services and prescription drugs under a single deductible. Out-of-pocket expenses include copayments and other amounts, but do not include premiums. PEIA PPB Plan C is the only HDHP offered during this open enrollment.

Medicare Advantage and Prescription Drug (MAPD) Plan: PEIA Medicare retirees' benefits are administered through Humana, Inc.'s MAPD Plan. This plan includes prescription coverage through a Humana Medicare Part D plan.

PEIA Network: The self-insured PPO plans offered by PEIA cover care based on where you live, and where you receive your care. To determine which out-of-state providers are PPO providers, call UMR at 1-888-440-7342 or go online to www.umar.com. For full details of the benefits, see your Summary Plan Description.

Not all providers in the United Health Care (UHC) PPO network may participate with PEIA. Kings Daughters Medical Center and Our Lady of Bellefonte hospitals in Kentucky remain out-of-network for PEIA, regardless of their network status with the UHC PPO network. Also, PEIA does not use the UHC PPO network in Washington County, Ohio, or in Boyd County, Kentucky. PEIA reserves the right to remove providers from the network, so not all providers listed on the UHC PPO website may be available to you.

Primary Care Physician (PCP): A provider in a network who coordinates members' health care. PCPs are usually family doctors, general practice physicians, internists, or pediatricians. Some plans allow OB/GYNs to be PCPs for women in the plan. PCPs must provide coverage for their practices 24 hours-a-day, 7 days-a-week so you can reach them if you need care.

Public Employees Insurance Agency (PEIA): The State agency that arranges for health and life insurance benefits for West Virginia's public employees. PEIA administers the PEIA PPB Plans, and contracts with all of the managed care plans that are offered to public employees.

UMR: UMR processes medical claims, provides customer service for both policyholders and health care providers, handles precertification for certain services, provides utilization management, care management and access to out-of-state care with their national UHC networks.

Eligibility Rules

This section offers general information about eligibility that you may need during Open Enrollment. For complete eligibility details, please refer to your PEIA Summary Plan Description. It's on the web at peia.wv.gov or www.wvpeia.com.

Who is eligible to transfer or enroll during Open Enrollment?

Current Members. Current enrollees in any PEIA-sponsored managed care plan or the PEIA PPB Plan or PEIA-sponsored life insurance only (no health insurance), may join any plan for which they qualify during this open enrollment.

Eligible Non-Members. An employee or non-Medicare retiree who is eligible for benefits may enroll in any health plan for which they qualify during open enrollment.

Eligible Dependents. You and your enrolled dependents must all live in the service area of a plan (if the plan has a service area) to be eligible to enroll for that plan's benefits. The only exception to this rule is made for full-time students living out of the service area. You may enroll the following dependents:

- your legal spouse (Remember, if you divorce, you must remove your ex-spouse from your health and life insurance plans immediately. An ex-spouse is NOT eligible for coverage under the plan.);
- your biological children, adopted children, or stepchildren under age 26; or
- other children for whom you are the court-appointed guardian to age 18.

Two Public Employees Who Are Married To Each Other, and who are both eligible for benefits under PEIA may elect to enroll as follows:

1. as "Family with Employee Spouse" in any plan.
2. as "Employee Only" and "Employee and Child(ren)" in the same or different plans.
3. as "Employee Only" in the same or different plans if there are no children to cover.

You may both be policyholders in the same plan, but only one may enroll the children. All children must be enrolled under the same policyholder, and a child may not be enrolled for health coverages as both a policyholder (as a public employee in his or her own right) and as a dependent child. To qualify for the Family with Employee Spouse premium, both employees MUST have basic life insurance.

Retired or Retiring Deputy Sheriffs Under Age 55. Premium rates for all plans are listed on page 40 of this guide.

Retiring Employees: If you are considering retiring during the plan year, your choice this open enrollment will be an important one. At the time of retirement, you may drop dependents from your coverage (if you so choose), or you may drop health coverage completely, but you may not change plans during the plan year unless you move outside a managed care plan's service area or unless you'll be eligible for Medicare – age 65 or disabled – in which case you will be provided PEIA's Medicare benefit.

Transferring Employees: If you transfer between State agencies during the plan year, remember that you can only change plans if you transfer out of the service area of the plan you're currently in. The PEIA PPB Plans A, B and C have an unlimited service area, so you will not be permitted to transfer out of them during the plan year, even if you move. PEIA PPB Plan D is available only to WV residents, so if you are enrolled in Plan D and move out of state during a plan year, you will be required to change plans. Transfer from a State agency to a non-State agency may permit a

change in coverage, which will be considered if you appeal in writing to the director of PEIA. Transfer between participating employers in the Plan does not constitute a qualifying event.

Mid-Year Plan Changes: The only time you can change plans during the plan year is if you move out of the service area of your plan so that accessing care is unreasonable. Since the PEIA PPB Plans A, B and C have an unlimited service area, you will not be permitted to transfer out of them during the plan year, even if you move. PEIA PPB Plan D is available only to WV residents, so if you are enrolled in Plan D and move out of state during a plan year, you will be required to change plans.

Physician Withdrawal from A Plan: If you're in an HMO and your PCP withdraws from the plan, you must choose another PCP. A physician's departure does not qualify you to change plans. Although most networks are stable, a physician can choose to withdraw from any plan at any time with 60 days' notice, so you need to be aware of that possibility when you make your selection.

Death: If a death occurs during a plan year, to continue coverage, the survivors must remain in the plan they were enrolled in at the time of the death for the balance of the plan year. Survivors can only change plans during the plan year if the affected dependents move out of the service area of the plan so that accessing care is unreasonable. Surviving dependent children may continue coverage, but are subject to the same age limitations as any other dependent children in the plan. Surviving spouses may continue coverage as long as they do not re-marry; if remarriage occurs, it must be reported to PEIA, and surviving spouse coverage will be terminated.

Divorce: If a divorce occurs, the ex-spouse and any affected stepchildren must be removed immediately from your health and life insurance plans. If a court requires you to continue coverage on those former dependents, you must find coverage through COBRA or from an insurer other than PEIA.

Terminated Coverage: If your coverage terminates due to loss of employment or cancellation of coverage, you **MUST** cease using your medical ID card. Any claims incurred after the termination date will be the responsibility of the person incurring the claims, and may be considered fraud.

Special Enrollment: If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within the month of or the two months following the date you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within the month of or the two months following the marriage, birth, adoption or placement for adoption by contacting your benefit coordinator or calling **1-888-680-7342**. You also may go online at peia.wv.gov or www.wvpeia.com, click on the green **"Manage My Benefits"** button to log in and enroll a dependent.

Eligibility Audits: From time to time PEIA may conduct eligibility audits to verify that policyholders and dependents in the plan qualify for coverage. If you are audited, you will have to produce documentation for the dependents in question. If you cannot prove that the dependent qualifies for coverage, coverage will be terminated retroactively to the date the dependent would otherwise have been terminated, and PEIA will pursue reimbursement of any medical or prescription drug claims paid during the time the dependent was ineligible.

Plan Year 2021 Benefit Fairs

Due to concerns about the novel coronavirus, COVID 19, PEIA will not be holding traditional benefit fairs this year. Instead, we are offering four conference calls where you can speak with representatives from PEIA, the Health Plan, FBMC, Humana, and Securian. You may call in and ask any questions you have or simply listen to the brief explanation of the changes we'll present at the beginning of each call. If you have questions about open enrollment, please call in and join us for one of these Benefit Fair Conference Calls:

Tuesday, April 21, 2020	4:00 pm	304-410-0513 *	26632

As always, if you have specific questions about benefits in one or more of the plans, you can call the toll-free numbers on the back of this Shopper's Guide for assistance.

* Please note that the phone number in the printed version is incorrect. The correct number is displayed above.

Managed Care Plan's Service Area

The PEIA PPB Plans and The Health Plan HMOs are available in all counties in West Virginia. The list below shows The Health Plan HMO's service area for Maryland, Ohio and Pennsylvania:

MARYLAND	OHIO				PENNSYLVANIA
Garrett	Athens Guernsey Jefferson Monroe Perry	Belmont Harrison Lawrence Morgan Trumbull	Columbiana Hocking Licking Muskingum Vinton	Gallia Jackson Meigs Noble Washington	Beaver Fayette Greene Washington

The Health Plan's Preferred Lab Network Launches January 1, 2020.

- Preferred Lab Network providers are available to all Commercial & PEIA members of The Health Plan and will be listed in the online provider directory.
- The Preferred Lab Network will not change a member's access to labs or lab services.
- Members will continue to have access to contracted labs that are part of The Health Plan's extensive network, even if they are not part of the Preferred Lab Network. The Health Plan will not limit those routine labs that are performed within a participating doctor's office.
- If a member chooses a lab in the Preferred Lab Network they may receive covered lab services at little or no out-of-pocket costs. The Health Plan will waive any applicable deductible and/or coinsurance associated with their lab benefit.

The providers selected to be part of the Preferred Lab Network anchored by LabCorp beginning on January 1, 2020, may be found at findadoc.healthplan.org or by contacting Customer Service at 1.888.847.7902.

Benefits At-A-Glance

Please note: In the Benefits At-A-Glance charts for PEIA PPB Plans A & B:

“**In WV**” means in West Virginia. For PEIA PPB Plans A and B, THIS INCLUDES IN-NETWORK CARE IN CONTIGUOUS COUNTIES OF SURROUNDING STATES, which still does not require advance approval from UMR.

OOSWA means Out-of-State with advance approval from UMR.

OOSNA means Out of State Not Approved by UMR.

PEIA PPB Plan C

Plan C is the IRS-qualified High Deductible Health Plan (HDHP) offered by PEIA to all eligible active employees. The plan offers lower premiums, but a high deductible that must be met before the plan begins to pay. The plan is designed to work with either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA). The policyholder is responsible for choosing and enrolling for an HSA or HRA.

The benefits of Plan C are shown in the **“Benefits At-A-Glance”** charts. With the HDHP, the medical and prescription drug deductibles are combined, and, for family coverage, the entire family deductible must be met before the plan begins to pay on any member of the family for either medical or prescription services. There are prescription drugs on the Preventive Drug List that are covered with a copayment before the deductible is met. For a copy of the Preventive Drug List, go to peia.wv.gov or www.wvpeia.com, visit a benefit fair, or call **1-877-676-5573**.

PEIA PPB Plan D

PEIA PPB Plan D is the West Virginia ONLY plan. Members enrolling in this plan must be West Virginia residents, and all care provided under this plan must be provided in West Virginia. The benefits (copayments, coinsurance, deductible and out-of-pocket maximum) of Plan D are identical to PEIA PPB Plan A, and the premiums are lower than Plan A. The difference is that the only care allowed outside the State of West Virginia will be emergency care to stabilize the patient, and a limited number of procedures that are not available from any health care provider inside West Virginia.

For policyholders who are West Virginia residents but who have dependents who reside outside West Virginia (such as students attending college out-of-state), PEIA PPB Plan D will cover those out-of-state dependents for emergency care to stabilize the patient, and a limited number of procedures that are not available from any health care provider inside West Virginia. All other services must be provided within West Virginia. If you have dependents living outside West Virginia, this plan may not be the best option for you.

How a CCP Can Save You Money

PEIA offers a healthcare program that allows members to receive specified primary care services while paying less. This program, called the Comprehensive Care Partnership (CCP) Program, is designed to promote quality of care, preventive services, and appropriate use of health services to identify health problems early and maintain control of chronic conditions.

The CCP program is available to PEIA PPB Plan A, B and D insureds. The CCP Program has reduced or no copayments for specified covered services from their CCP provider. Office visits to a provider other than your CCP provider have a \$20 copay, except for specialist visits, which have a \$40 copay, and urgent care, which has a \$50 copay. CCP providers are expected to provide primary care services, coordination of care, and some CCP locations also provide specialty care services and/or laboratory services. To find a participating physician in PEIA's CCP program, go to peia.wv.gov or www.wvpeia.com and click “Find a Form or Document” and Provider Directory under Documents.

Tobacco-free Premium Discount

PEIA offers a premium discount on all health and optional life insurance to active and retired policyholders who verify through a tobacco affidavit that all enrolled family members are tobacco-free. Tobacco-free plan members subtract \$25 from the premium for employee-only coverage or \$50 from the employee/child, family or family with employee spouse premium. To qualify for the Tobacco-free Preferred Premium for all of Plan Year 2021, you and all enrolled family members must have been tobacco-free by January 1, 2020.

If your doctor certifies on a form provided by PEIA, that it is unreasonably difficult due to a medical condition for you to become tobacco-free or it is medically inadvisable for you to become tobacco free, PEIA will work with you for an alternative way to qualify for the tobacco-free discount. Send all such doctors' certifications and requests for alternative ways to receive the discount to: PEIA Discount Alternatives, 601 57th St., SE, Suite 2, Charleston, WV 25304-2345.

Monthly Premiums: Employee Only

The premiums listed here are for employees of State agencies, colleges and universities and county boards of education with no enrolled dependents. Premiums are based on the employee's annual salary. The premiums listed here are charged monthly. For PEIA PPB Plans A and B, the out-of-network deductible and out-of-pocket maximum amounts are double the in-network amounts listed below. PEIA offers a Tobacco-free Premium Discount of \$25 per month to policyholders who are tobacco-free. To report a change in your tobacco status, call PEIA's Open Enrollment Helpline or go to peia.wv.gov or www.wvpeia.com and click on [Manage My Benefits](#).

Non-State Agencies: PEIA PPB Plans

Non-State agencies are counties, cities, towns, and other government bodies and agencies that qualify for coverage under PEIA pursuant to the West Virginia Code. By law, these agencies determine how much of the total monthly PEIA premium will be paid by their active employees. Employees should check with their employer to determine what their monthly employee contribution will be for the various plans and coverage types. PEIA offers a Tobacco-free Premium Discount of \$25 per month to employee only policyholders and \$50 per month to employee and children and family policyholders when all enrolled family members are tobacco-free. To report a change in your tobacco status, call PEIA's Open Enrollment Helpline or go to peia.wv.gov or www.wvpeia.com and click on **Manage My Benefits**.

It is the employee's option to choose PEIA PPB A, B, C or D or any of the managed care plans available in your area, although your employer may choose to limit the amount paid toward the premium. Check with your benefit coordinator to see how much (if any) your employer will be paying toward the premium for the plan you've chosen. To enroll in one of the managed care plans, you must live in the plan's service area. Check the chart on page 10 to see if you qualify for the plan you're considering.

State Funded Elected Officials Premiums

These premiums are paid by members of the WV Legislature, members of the WV Board of Education, and elected members of county boards of education who choose to enroll for PEIA coverage. By law, members of these groups are required to pay 100% of the premium for their coverage. PEIA PPB Plans A, B and C have an unlimited service area. PEIA PPB Plan D is limited to WV residents only, and covers only services provided within WV. The chart below details the premiums for all available plans, and deductibles and out-of-pocket maximums for the PPB plan options. Remember that the out-of-network deductible and out-of-pocket maximum amounts are double the in-network amounts listed in the charts.

1. This rate assumes one person on Medicare. If you have more than one, subtract \$22 for each additional Medicare Member.

2. These rates are also provided to all non-Medicare retirees who retired prior to July 1, 1997, to all non-Medicare surviving dependents and to all non-Medicare disability retirees. Beginning July 1, 2015, surviving dependents enrolling in the PEIA plan pay premiums based on the years of service earned by the deceased policyholder. Those who enrolled before July 1, 2015, continue to pay premiums based on 25 or more years of service.

3. This premium rate is provided to all employees hired on or after July 1, 2010. This rate represents the full premium with no subsidy from active employers or employees. Two classes of employees hired on or after July 1, 2010, will not be required to pay the unsubsidized rate: a) Active employees who were originally hired before July 1, 2010, and who have a break in service not greater than two years after July 1, 2010; and b) retired employees who retired before July 1, 2010, come back to active service after July 1, 2010, and then go back into retirement. In those cases, the original hire date will apply.

Please note that there are no Plan B premiums for Non-Medicare retiree with Medicare dependents because this coverage is not available.

Special Notice for Non-Medicare Retirees with Medicare Dependents:

PEIA has contracted with Humana to provide medical and prescription drug benefits to Medicare-eligible retired employees and Medicare-eligible dependents of retired employees. These benefits are for members whose primary insurance is Medicare. Because Medicare treats each Medicare beneficiary as an individual, and does not recognize “family” plans, this change presents some unique challenges for PEIA when a family has both non-Medicare and Medicare members. In these cases, the non-Medicare family members will continue their coverage with PEIA in PEIA PPB Plan A, and the Medicare beneficiary(ies) will receive benefits from the Medicare Advantage and Prescription Drug (MAPD) plan. For details of the Medicare beneficiary’s plan design, see page 41.

Non-Medicare Retiree Managed Care Premiums

These premiums are offered to non-Medicare retirees who choose to enroll in a plan offered by The Health Plan. Non-Medicare retirees with Medicare-eligible dependents are not eligible to enroll for this plan. To enroll in The Health Plan, you must live in the plan’s service area. Check the chart on page 10. The PEIA PPB Plan A’s service area is unlimited, so you will not find it on the chart. PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 31. To report a change in your tobacco status, call PEIA’s Open Enrollment Helpline or go to peia.wv.gov or www.wvpeia.com and click on [Manage My Benefits](#).

Deputy Sheriffs Early Retiree Premiums (ages 50-55)

Deputy sheriffs have the right to retire prior to attaining age 55 and continue their health benefits by paying the premiums designated for them in the Shopper's Guide each year. At the time of retirement, these retirees must continue coverage in the plan in which they were covered as active employees until the next open enrollment, when they can choose any plan for which they are eligible. Retiring employees enrolled in PEIA PPB Plans C or D must choose either PEIA PPB Plan A or B upon retirement, since Plans C and D are not offered to retirees. Deputy Sheriff early retirees are not eligible for extended employer-paid insurance upon retirement. These premiums are paid in full by the retiree.

PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 31. Medicare Retiree Benefits

PEIA has a contract with Humana to provide benefits to Medicare-eligible retired employees and Medicare-eligible dependents of retired employees through its Medicare Advantage and Prescription Drug (MAPD) plan. Reach them at **1-800-783-4599**.

Reminder: This Open Enrollment is for active employees and non-Medicare retirees only. The plan year for Medicare retirees is January 1- December 31 each year, with open enrollment in October.

When a family has both Medicare and non-Medicare members, the Medicare beneficiary will receive benefits from the MAPD plan and the non-Medicare family members will be covered by PEIA PPB Plan A.

Benefits for Medicare Beneficiaries

Any provider that accepts Medicare may be used by those enrolled in the Humana plan. The Medicare retiree's non-Medicare dependents will have the benefits provided under PEIA PPB Plan A. See the **"Benefits At-A-Glance"** charts for details.

Medicare Retiree Monthly Premium Rates

If you are a Medicare retiree with Non-Medicare dependents, the Medicare beneficiary has Medicare Retiree Benefit Design on the previous page. The non-Medicare dependents are enrolled in PEIA PPB Plan A and have the same deductible and out-of-pocket maximum as a non-Medicare retiree (see chart on page page 39), and the benefits described in the “[Benefits At-A-Glance](#)” charts.

These premiums are for Medicare Plan Year 2020 (January-December). Medicare Plan Year 2021 rates will be published in the Medicare Shopper’s Guide which is published in October for Medicare Open Enrollment. The current Open Enrollment period is for active employees and non-Medicare retirees only. Medicare Open Enrollment will be held in October, and Medicare retirees will receive their Shopper’s Guide and information from Humana at that time. PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 31. Current surviving dependents, and those who are enrolled before July 1, 2015, were grandfathered under the previous benefit and continue to pay premiums based on 25 or more years of service.

4. This premium rate is provided to all employees hired on and after July 1, 2010. This rate represents the full premium with no subsidy from active employers or employees. Two classes of employees hired on and after July 1, 2010, will not be required to pay the unsubsidized rate: 1) active employees who were originally hired before July 1, 2010, and who have a break in service of fewer than two years after July 1, 2010; and 2) retired employees who retired before July 1, 2010, come back to active service after July 1, 2010, and then go back into retirement. In those cases, the original hire date will apply.

* Tobacco-free plan members subtract \$25 from the premium for employee only coverage or \$50 from the family premium. To qualify for the Tobacco-free Premium for all of Plan Year 2020, you and all enrolled family members must have been tobacco-free by July 1, 2019. If your tobacco status has changed, you MUST report the change.

Retired Employee Assistance Program

Retired employees whose total annual income is at or below 250% of the federal poverty level (FPL) may receive assistance in paying a portion of their PEIA monthly health premium based on years of active service, through a grant provided by PEIA called the Retired Employee Premium Assistance program. Applicants must be enrolled in the PEIA PPB Plan, the Special Medicare Plan or the Medicare Advantage and Prescription Drug (MAPD) plan. Applicant must report all income for their household including pension(s), social security, investment income, and/or other sources of income.

Managed care plan members are not eligible for this program. Retired employees using accrued sick and/or annual leave to pay their premiums are not eligible for this program until their accrued leave is exhausted. Applications are mailed to all eligible retired employees each spring.

Medicare-eligible retirees with 15 or more years of service who qualify for Premium Assistance may also qualify for Benefit Assistance. Benefit Assistance reduces the medical and prescription out-of-pocket maximums and most copayments. For additional information or for a copy of the application, call PEIA's customer service unit at **1-888-680-7342** or visit our website at peia.wv.gov or www.wvpeia.com and click on Forms and Downloads.

Medicare Part B and Part D Premiums for Higher Income Beneficiaries

Federal law affects how Medicare calculates monthly Medicare Part B (medical insurance) and Medicare Part D (prescription drug) premiums if you have a higher income. Higher-income beneficiaries pay higher premiums for Part B and prescription drug coverage.

This affects only a very small percentage of Medicare beneficiaries. To determine if you pay higher premiums, Social Security will use your most recent federal tax return information. If you must pay higher premiums, they will use a sliding scale to make the adjustments. They will base the sliding scale on your modified adjusted gross income (MAGI). Your MAGI is the total of your adjusted gross income and tax-exempt interest income.

Social Security will notify you if you have to pay more than the standard premium. Whether you pay the standard premium or a higher premium can change each year depending on your income. If you have to pay a higher amount for your Part B premium and you disagree (even if you get RRB benefits), call Social Security at **1-800-772-1213**. TTY users should call **1-800-325-0778**. PEIA is bringing this to your attention because it may affect the premium you pay for PEIA's Medicare Advantage and Prescription Drug (MAPD) Plan, which includes a premium for your Medicare Part D (prescription drug) coverage.

COBRA

COBRA entitles employees, retired employees, and covered dependent(s) to continue medical coverage, for 18 or 36 months, in certain cases when coverage would otherwise terminate, provided the employee, retired employee, and/or dependent(s) pays the full premium. The premiums for COBRA coverage are set by Federal law. UMR handles COBRA enrollment for all plans and will contact you if you become eligible.

Your Enrollment Rights

During Open Enrollment you have the right to choose any plan for which you are eligible for the next plan year. To enroll in one of the managed care plans, you must live in the plan's service area (see page 10). PEIA PPB Plan D is limited to WV residents only, and covers only services provided within WV, except in an emergency or when the required care is not available in West Virginia.

UMR will mail a transfer form to enrolled COBRA members. If you want to change plans, you must complete and return the transfer form to UMR P.O. Box 30541 Salt Lake City, UT 84130-0541 before May 15, 2020.

Tobacco-free Premium Discount

PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 31. To report a change in your tobacco status, mark it on the Transfer Form mailed to you by UMR.

Beginning July 1, 2020,

your PEIA active employee optional term life rates are increasing – no action required!

Why are rates increasing?

Prior to 2016, PEIA's optional life insurance rates were higher than they needed to be, thanks to a better-than-expected claims experience. Securian Financial returned the surplus premiums to PEIA, and because they were policyholder dollars, not tax dollars, PEIA used that money to reduce optional life insurance rates over the last four years. That surplus has been used up, so now premiums will be adjusted to their actual, unsubsidized level.

View your July 2020 rates. Text **"PEIA"** to **70774** to receive a one-time text message to view the July 2020 PEIA active employee optional term life insurance rates.*

Did you know?

The cost of your PEIA life insurance effective July 2020 is less than it was in 2013, even with the increased premium.

PEIA's Premium Conversion Plan: Make Your Choices for Plan Year 2021

It's open enrollment time for PEIA's Section 125 Premium Conversion Plan, an IRS-approved plan which allows eligible public employees to pay health and life insurance premiums with pre-tax dollars. Through this plan your premiums for health coverage and life insurance are deducted from your pay before taxes are calculated, so your taxable income is lower, and you pay less tax. Each year at this time we hold an Open Enrollment period to allow you to make changes in your coverage or to get in or out of the Premium Conversion Plan.

This section answers Commonly Asked Questions about the Premium Conversion Plan and will serve to guide you through the enrollment process.

Commonly Asked Questions

Who participates in the Premium Conversion Plan?

If you are an active employee of a State Agency, college, or university (except WVU) or one of the county boards of education that participates in PEIA's Premium Conversion plan, and you pay premiums for health or life insurance, those premiums are deducted before taxes are calculated, unless you signed a form waiving your participation in this plan.

You may have been in the program for several years without realizing it. To determine if you are paying your premiums before or after tax, check your pay stub or contact your payroll office.

When is Open Enrollment?

Open Enrollment is from April 2 – May 15, 2020, for Plan Year 2021 (July 1, 2020 – June 30, 2021).

Are there rules I have to follow?

Yes. The IRS sets limits on the program, and says that if you agree to participate in the plan, you can only change the amount of pre-tax premium you pay during Open Enrollment. Under the IRS rules, you must pay the same amount of premium each month during the year, unless you have a qualifying event and the consistency rule is satisfied. Documentation of these events is required.

Qualifying events are:

- marriage or divorce of the employee;
- death of the employee's spouse or dependent;
- birth, placement for adoption, or adoption of the employee's child;
- commencement or termination of employment of the employee's spouse or dependent;
- a change from full-time to part-time employment status, or vice versa, by the employee or his or her spouse, or dependent;
- commencement of or return to work from an unpaid leave of absence taken by the employee or spouse;
- a significant change in the health coverage of the employee or spouse attributable to the spouse's employment;
- annulment;
- change in the residence or work site of the employer, spouse, or dependent;
- loss of legal responsibility to provide health coverage for a child or foster child who is a dependent;
- a dependent loses eligibility due to age; or
- employment change due to strike or lock-out.

Status Change Event	Documentation Required
Divorce	Copy of the divorce decree showing the date the divorce is final.
Marriage	Copy of valid marriage license or certificate.
Birth of child	Copy of child's birth certificate.
Adoption	Copy of adoption papers.
Adding coverage for a dependent child	Copy of child's birth certificate.
Adding coverage for any other child who resides with policyholder	Copy of court-ordered guardianship papers.
Open enrollment under spouse's or dependent's employer's benefit plan	Copy of printed material showing Open Enrollment dates and the employer's name.
Death of spouse or dependent	Copy of the death certificate.
Beginning of spouse's or dependent's employment	Letter from the spouse's employer stating the hire date, effective date of insurance, what coverage was added, and what dependents are covered.
End of spouse's or dependent's employment	Letter from the employer stating the termination or retirement date, what coverage was lost, and dependents that were covered.
Significant change in health coverage due to spouse's or dependent's employment	Letter from the insurance carrier indicating the change in insurance coverage, the effective date of that change, and dependents covered.
Unpaid leave of absence by employee, spouse, or dependent	Letter from your, your spouse's, or your dependent's personnel office stating the date the covered person went on unpaid leave or returned from unpaid leave.
Change from full-time to part-time employment or vice versa for policyholder, spouse, or dependent	Letter from the employer stating the previous hours worked, the new hours worked, and the effective date of the change.

Consistency Rule: The change in benefit elections must be on account of, and consistent with, a change in status that affects eligibility for coverage under the cafeteria plan.

Open Enrollment Under Other Employer's Plan

You may make a change in your plan when your spouse or dependent changes coverage during his or her plan's open enrollment if:

- the other employer's plan permits mid-year changes under this event, and
- the other employer's plan year is different from PEIA's.

You may not make a change in your coverage until the next Open Enrollment period unless you have a qualifying event. To make a change in your coverage, go to peia.wv.gov or www.wvpeia.com and click on the "Manage My Benefits" button or get a Change-in-Status form from your benefit coordinator.

What should I do if I want to get in or out of the Premium Conversion Plan?

You have four choices:

1. If you opted out of the Premium Conversion Plan previously, and you want to stay out, you don't have to do anything. You will remain out of the Premium Conversion Plan for the coming year.
2. If you opted out of the Premium Conversion Plan previously, and want back in, complete the form on page 56, sign, date and return it to your payroll clerk by May 15, 2020.
3. If you are in the Premium Conversion Plan, and want to stay in, you don't need to do anything. You will remain in the Premium Conversion Plan for the coming year.
4. If you are in the Premium Conversion Plan and you want to opt out and pay taxes on your premiums, complete the form on page 56, and return it to your benefit coordinator by May 15, 2020.

Can I make changes in my coverage now?

Yes. During Open Enrollment you can add or drop dependents for any reason. Go to peia.wv.gov or www.wvpeia.com and click on the “Manage My Benefits” button or call PEIA for an Open Enrollment Transfer Form, and get it to your benefit coordinator by May 15, 2020.

Can I make changes during the plan year?

You may not make a change in the middle of plan year unless you have a qualifying Status Change Event listed in the chart on page 53. You will have to provide documentation of the Status Change Event.

Will I have to pay taxes on the premium later?

Because this is an IRS-approved program, you never have to pay taxes on the money you save through the Premium Conversion Plan.

Why would I want to opt out of the plan?

If you are fewer than ten years from retirement, you may want to opt out. Since your Social Security tax is assessed after your premiums are deducted under the Premium Conversion Plan, you contribute less to Social Security, and it could lower your benefits upon retirement. Generally, the amount you save through premium conversion outweighs the amount you lose in Social Security. If you have questions, consult your tax advisor.

What if I have more questions?

If you have questions about the Premium Conversion Plan, please consult your tax advisor.

What do I do if I have a qualifying event during the plan year?

Go to peia.wv.gov or www.wvpeia.com and click on the “Manage My Benefits” button, or contact your benefit coordinator for a Change-In-Status form, complete, sign, and return it to your benefit coordinator during the month of the family status change event or the following two calendar months. You will need to include documentation of the status change as indicated in the chart on the next page.

Should I have two plans?

If you have two insurance plans, you may want to consider whether it makes sense to keep them both. If both you and your spouse work outside the home and have group health coverage through your employers, you need to look carefully at the plans you have to be sure you are getting value for the premiums you are paying. The two issues you need to deal with relate to Coordination of Benefits. You need to determine: (1) which plan is primary and which is secondary; and (2) how the plans pay as secondary payers.

Mountaineer Flexible Benefits program is provided to you by Public Employees Insurance Agency (PEIA).

How To Enroll

- Visit myFBMC.com and enroll online or return your completed paper enrollment form to your Benefit Coordinator by **May 15, 2020**, to enroll or make changes to your benefits.
- If you do not make changes for the new plan year, all benefits will continue as currently enrolled and your premiums will be adjusted to reflect the new rates.

Coordination of Benefits (COB)

Coordination of Benefits is the process used by insurance companies to determine which plan will pay first, and how much it will pay. The kind of COB you have depends on the kind of plan you're in.

By law, the PEIA PPB Plan coordinates benefits with all other insurance plans – even medical payments made under an automobile policy, or other individual policy. The only plans we don't coordinate benefits with are individual policies which make per diem payments of less than \$100 and have limited benefits. PEIA uses the "carve-out" method for coordinating benefits as the secondary plan, which means that if the other plan pays as much as PEIA would have paid, then we pay nothing.

The HMOs offered by PEIA use "traditional" Coordination of Benefits, which means that they may pay up to 100% for services, but you will have to follow their rules to receive benefits.

Why bring up COB now?

We know that most people who encounter problems with the Premium Conversion plan want to make changes because they didn't understand how the PEIA PPB Plan works as a secondary payer. Often, they want to drop the PEIA PPB Plan as a secondary coverage, but this is not considered a qualifying event, so we can't allow it during the plan year.

During Open Enrollment (April 2 – May 15, 2020), you can make any changes, even if they're not the result of qualifying events.

Where can I learn more about COB?

If you're in the PEIA PPB Plan, read your Summary Plan Description for details of PEIA's Coordination of Benefits policy. If you're in a managed care plan, read your certificate of coverage or check with your plan for more details.

Premium Conversion Plan Form / Plan Year 2021

I, _____, wish to make the following changes in my Premium Conversion Plan participation:

Opt **INTO** the Plan. I understand that by participating in this plan, I will reduce my tax liability, but I may be limiting my ability to make changes in my coverage throughout the plan year.

Opt **OUT** of the Plan. I understand that by opting out of the plan, I am agreeing to pay my premiums on a post-tax Basis, thereby increasing my tax liability. This election may not be changed until the next open enrollment.
